The President of the DBB states that all expenses connected with the Jatra arrangements etc should be met out of the 3/4 of the amount to be paid to temples. Submitted for orders.

The temples have got a sort of vested right of the DBB is trying to get some income or fees on the ground that it has to attend to sanitation, Jatra arrangements etc (which term is not clear enough) are to be met out of the 3/4 to be given to the temples what justification could there be for the Board to get the balance of one fourth

SIR,

Forwarded with compliments

Deputy Commissioner,
Bangalore District.

Payment of ¾ of the gross realisations from Jatras to the respective temples.

======

I have the honor to inform you that these Jatras are managed by the District Board and fees both on Cattle and Shops that assemble during the jatras are levied.

The temple authorities and people of Upparahalli requisitioned this office for payment of a portion of the income from the Jatra for the maintenance of the Temple and to perform Pooja and other religious function during the whole year generally and especially during the Jatra season. The matter was placed before the District Board. The Board after due consideration have resolved that ¾ of the income may be paid to the Temple, and that all expenses in connection with the Jatra arrangements etc., should be ... out of that amount alone. A copy of the District Board resolution dated 6th and 7th April 1929 is enclosed.

2. It has been ascertained during personal enquiry that the temple authorities and the people have done a good deal and organised these Jatras for the upkeep of these temples alone and as such, it is but right that they should get a share of the realisations as after the management came to the hands of the District Board, they.

(9)

they are deprieved of all income and they are feeling it very difficult to maintain the temples without any income whatsoever.

3. In the above circumstances I request you to kindly move Government to accord their sanction to the resolution of the Board and payment of ¾ of the gross income to the temples concerned. Due provision will be made in the budget for meeting the demand.

I have the honor to be,
